

Town Hall Meeting

Engineer Hailu Shawl, Chairman of Kinijit, Coalition for Unity and Democracy Party, along with high level Kinijit officials will be in Seattle for a Town Hall Meeting.

The delegation headed by the Chairman is coming to Seattle, primarily,

- To thank Seattle kinijit supporters for the strong and consistent help they have delivered for the last 3 years.
- To go over the past achievements and setbacks in the course of the struggle as well as to discuss general plans for the future.

The Seattle Support Group has been striving in its own way to have the ongoing minor innuendos within Kinijit be resolved amicably sooner than later. We will do our best to take this opportunity to address those issues that are detrimental to the very well being of Kinijit. We invite all Ethiopians and Ethio-Americans to attend the meeting and participate in the discussion.
